

California  
CHAPTER

INTERNATIONAL  
ACADEMY OF  
CARDIOLOGY

# 32nd Annual Cardiovascular Interventions

November 16-19, 2021  
Hilton La Jolla Torrey Pines  
La Jolla, CA

**Course Director:**

Paul S. Teirstein, MD, DNBPAS, FACC, MSCAI

**Scripps Course Co-Directors:**

Matthew J. Price, MD, FACC, FSCAI

Richard A. Schatz, MD, FACC

Curtiss T. Stinis, MD, FACC, FSCAI

## **COURSE OVERVIEW**

Cardiologists are trained during their fellowship years in the latest techniques, technologies, standards of practice and guidelines for patient care. However, the practice of medicine changes rapidly and the discipline of interventional cardiology changes dramatically each year. Changes in interventional cardiology directly impact patient care and require constant updates to physician knowledge and practices. Physicians rely on journal articles, interaction with colleagues and lectures throughout the year to keep their knowledge up-to-date. The primary purpose of the “32nd Annual Cardiovascular Interventions” symposium is to provide the practicing physician and cardiovascular care team with a concentrated exposure to new developments in interventional cardiology that will positively influence patient outcomes.

The 2021 scientific program has been carefully designed by consulting recent key clinical trial data, articles in peer-reviewed scientific journals, physician focus groups, past evaluations, and needs assessments. By attending this program, participants will learn the latest advances and debates in interventional cardiology. They will return to their practice environment armed with the latest evidence based, practical information to improve patient care and outcomes.

## **TARGET AUDIENCE**

This course is designed for interventional cardiologists, cardiac surgeons, vascular surgeons, internists, NPs, PAs, nurses, cath lab technicians, perfusionists, registered cardiovascular invasive specialists, radiologic technologists, and those with a special interest in interventional cardiology. No experience in interventional cardiology is required, however a basic understanding of the field is recommended.

## **EDUCATIONAL OBJECTIVES**

After attending this educational activity, participants should be able to:

- Apply new technical approaches to specific lesion subsets such as bifurcation lesions, left main lesions, chronic total occlusions and saphenous vein graft disease
- Integrate the latest guidelines and practice improvements into the management of myocardial function
- Discuss new techniques under development for transcatheter cardiac valve repair and replacement
- Reduce common catheterization laboratory patient complications using new techniques and technologies
- Critique the latest evidence supporting new coronary physiology and imaging modalities such as IVUS, OCT and FFR/iFR guided stent deployment
- Prescribe the appropriate antithrombotic therapies based on the latest data and guidelines

## CLAIMING YOUR CME/CE CERTIFICATE

1. Visit <https://promedicacme.com/> and scroll down the page
2. In the Past CME Symposia section, click “Take Evaluation” by the CI 2021 icon
3. Complete the appropriate program evaluation
4. Your CME certificate will be **emailed** to you within 2 weeks of submission. The email will be sent from [Rlaw@promedicacme.com](mailto:Rlaw@promedicacme.com). Please whitelist this address to ensure delivery.

## ONLINE SYLLABUS

Slides presented during the accredited portions of the symposium (when approved by the speaker), along with faculty disclosures, and all meeting reference materials are available online at <https://cvinterventions.com/syllabus-2021/>. This link was emailed to all attendees prior to the start of the symposium. Slides approved for release will be posted online as PDFs within 24 hours of presentation.

## CME & CE ACCREDITATION & DESIGNATION

### Physicians & Physician Assistants

---

Promedica International is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ACCME  
ACCREDITED

Promedica International designates this live activity for a maximum of 25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Nurses

---

Provider approved by the California Board of Registered Nursing, Provider #8495 for 25 Contact Hours.

### Perfusionists

---

The American Board of Cardiovascular Perfusion (ABCP) has approved a total of 27.6 Category 1 CEUs for perfusionists for Wednesday, November 17 (4.8), Thursday, November 18 (11.4), and Friday, November 19 (11.4).

## **CME & CE ACCREDITATION & DESIGNATION (CONT'D)**

### **Radiologic Technologists**

---

The 32<sup>nd</sup> *Annual Cardiovascular Interventions* symposium has been approved by the ASRT for Category A continuing education credit. If you attend all of the sessions detailed below, you will earn a total of 23 Category A Credits.

- November 17 – 1:30-3:30 PM Session (2 Category A Credits)
- November 17 – 4:00-6:00 PM Session (2 Category A Credits)
- November 18 – 7:30-9:30 AM Session (2 Category A Credits)
- November 18 – 10:00 AM-12:00 PM Session (2 Category A Credits)
- November 18 – 12:00-1:30 PM Session (1.5 Category A Credits)
- November 18 – 1:30-3:30 PM Session (2 Category A Credits)
- November 18 – 4:00-6:00 PM Session (2 Category A Credits)
- November 19 – 7:30-9:30 AM Session (2 Category A Credits)
- November 19 – 10:00 AM-12:00 PM Session (2 Category A Credits)
- November 19 – 12:00-1:30 PM Session (1.5 Category A Credits)
- November 19 – 1:30-3:30 PM Session (2 Category A Credits)
- November 19 – 4:00-6:00 PM Session (2 Category A Credits)

### **Registered Cardiovascular Invasive Specialists**

---

CCI does not approve CEUs directly however CCI will accept CEUs that have already been approved by accredited sponsors of the Accreditation Council for Continuing Medical Education (ACCME). RCIS attendees will claim the physician certificate option when completing the online evaluation and can use that certificate to claim CEUs from CCI.

### **Radiation Safety Credits for Physicians**

---

This conference fulfills the Title 17 California Code requirement for 4 CE credits in radiation safety for the clinical uses of fluoroscopy. This statement will appear on the physician certificates.

Radiation safety materials have been included in the online syllabus for your reference at <https://cvinterventions.com/syllabus-2021/>.

## CME & CE ACCREDITATION & DESIGNATION (CONT'D)

### ABIM MOC Points

---

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 25 Medical Knowledge MOC points and Patient Safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**Physicians in need of MOC Points will request them through the post-course evaluation.**

### **PLEASE KEEP THESE DATES IN MIND:**

Physicians claiming MOC points for their participation in the symposium must complete the online program evaluation by December 20, 2021 in order for the MOC points to count toward any MOC requirements that are due by the end of 2021.

Evaluations received after December 20, 2021 and before March 18, 2022 will continue to be reported to ABIM and any ABIM Board Certified physician who experienced a negative status change as a direct result of insufficient MOC points will have their status adjusted once the required points have been earned.

**If you need the MOC points to count for your 2021 record, please be sure to submit your evaluation by December 20, 2021. MOC points will not be available for this course after March 18, 2022.**

## **EDUCATIONAL GRANTS**

This program is supported, in part, by unrestricted educational grants from industry, in accordance with the ACCME's Standards for Integrity and Independence in Accredited Continuing Education.

We gratefully acknowledge and thank the following contributors who have given generously to support this symposium.

**Abbott**

**Asahi Intecc USA, Inc.**

**Boston Scientific**

**Cardiovascular Systems, Inc.**

**Chiesi USA, Inc.**

## **COURSE DIRECTOR**

**Paul S. Teirstein, MD, DNBPAS, FACC, MSCAI**

Chief of Cardiology

Director, Interventional Cardiology

Scripps Clinic

Director, Scripps Prebys Cardiovascular Institute

Scripps Health

La Jolla, CA

## **SCRIPPS COURSE CO-DIRECTORS**

**Matthew J. Price, MD, FACC, FSCAI**

Director, Cardiac Catheterization Laboratory

Division of Cardiovascular Diseases

Scripps Clinic

La Jolla, CA

**Richard A. Schatz, MD, FACC**

Research Director, Cardiovascular Interventions

Director, Gene and Cell Therapy

Scripps Clinic

La Jolla, CA

**Curtiss T. Stinis, MD, FACC, FSCAI**

Director, Peripheral Interventions

Director, Interventional Cardiology Fellowship Program

Scripps Clinic

La Jolla, CA

## **SYMPOSIUM FACULTY**

### **Ziad Ali, MD, DPhil**

Director, DeMatteis Cardiovascular Institute  
Director, Investigational Interventional Cardiology  
Director of Cardio-Nephrology  
St Francis Hospital & Heart Center  
Roslyn, NY  
Director, Angiographic Core Laboratory  
Cardiovascular Research Foundation  
Associate Professor of Medicine  
Columbia University Medical Center  
New York, NY

### **Ailin Barseghian, MD**

Interventional Cardiology  
UC Irvine  
Orange, CA

### **Christopher Brown, MD**

Scripps Clinic  
La Jolla, CA

### **Michael Chan, MD**

Interventional Cardiology  
St. Joseph Heritage – Orange  
Orange, CA

### **Cindy Grines, MD, FACC, MSCAI**

Chief Scientific Officer  
Northside Hospital Cardiovascular Institute  
Lawrenceville, GA

### **Allen Jeremias, MD, FACC**

Associate Director,  
Cardiac Catheterization Laboratory  
St. Francis Hospital  
Roslyn, NY

### **Amir Kaki MD, FACC, FSCAI**

Associate Professor Wayne State SOM  
Director, Mechanical Circulatory Support  
Director, High-Risk Complex Coronary Interventions  
Associate Director,  
Interventional Cardiology Section  
Ascension St John Hospital  
Detroit, MI

**Navin Kapur, MD, FACC, FSCAI, FAHA**  
Associate Professor, Department of Medicine  
Interventional Cardiology & Advanced Heart Failure Programs  
Executive Director, CardioVascular Center for Research and Innovation  
Tufts Medical Center  
Boston, MA

**Kate Kearney, MD**  
Assistant Professor of Medicine  
Assistant Program Director,  
Interventional Cardiology Fellowship Program  
University of Washington Medical Center  
Seattle, WA

**Morton Kern, MD, MSCAI, FACC, FAHA**  
Professor of Medicine  
University of California, Irvine  
Chief of Cardiology  
VA Long Beach  
Long Beach, CA

**Ajay J. Kirtane, MD, SM, FACC, FSCAI**  
Professor of Medicine  
Columbia University Medical Center  
Chief Academic Officer  
Center for Interventional Vascular Therapy  
Director, NYP/Columbia Cardiac  
Catheterization Laboratories  
New York, NY

**William Lombardi, MD, FACC, FSCAI**  
Director of Complex Coronary Artery Disease Therapies  
Associate Professor of Cardiology  
University of Washington  
Seattle, WA

**Ehtisham Mahmud, MD, FACC, MSCAI**  
Division Chief, Cardiovascular Medicine  
Executive Director, UC San Diego Sulpizio Cardiovascular Center  
San Diego, CA

**Rajeev Mohan, MD**  
Director, Cardio-Oncology  
and Cardiac Amyloidosis Program  
Scripps Clinic  
La Jolla, CA

**Jeffrey Moses, MD, FACC**

John and Myrna Daniels Professor of Cardiology  
Director, Interventional Cardiovascular Therapeutics  
Columbia University Medical Center  
New York, NY

**Duane S. Pinto, MD, MPH, FACC, FSCAI**

Associate Professor of Medicine  
Harvard Medical School  
Chief, Interventional Cardiology  
Beth Israel Deaconess Medical Center Boston, MA

**Samir Pancholy, MD, FAHA, FACP, FACC, FSCAI**

Director, Cardiac Catheterization Laboratory  
Veterans Administration Medical Center  
Wilkes Barre, PA  
Professor of Medicine  
Geisinger Commonwealth School of Medicine  
Program Director, Fellowship in Cardiovascular Diseases  
The Wright Center for Graduate Medical Education  
Scranton, PA

**Jeffrey Popma, MD, FSCAI**

Professor of Medicine, Emeritus  
Harvard Medical School  
Boston, MA

**David Rizik, MD, FACC, MSCAI**

Chief Scientific Officer  
Director of Structural and Coronary Interventions  
Cardiovascular Disease Fellowship Program Director  
HonorHealth Hospital  
HonorHealth Heart Group-Shea  
Scottsdale, AZ

**Austin Robinson, MD**

Advanced Cardiovascular Imaging  
Director, Pericardial Diseases Clinic  
Scripps Clinic  
La Jolla, CA

**Bruce Samuels, MD, FACC**

Interventional Cardiology  
Cedars-Sinai Smidt Heart Institute  
Los Angeles, CA

**Evan Shlofmitz, DO**  
Director of Intravascular Imaging  
St. Francis Hospital – The Heart Center  
Roslyn, NY

**Richard Shlofmitz, MD, FACC, FSCAI**  
Chairman of Cardiology  
St. Francis Hospital  
Roslyn, NY

**Ajay Srivastava, MD, FACC**  
Director, Acute Mechanical Circulatory Support Program  
Advanced Heart Failure and Recovery Program  
Scripps Clinic  
La Jolla, CA

**Behnam Tehrani, MD**  
Director, Cardiac Catheterization Laboratories  
Inova Heart and Vascular Institute  
Fairfax, VA

**Eric Topol, MD**  
Executive Vice-President  
Scripps Research Institute  
Director & Founder  
Scripps Research Translational Institute  
La Jolla, CA

**Jennifer A. Tremmel, MD, MS, FACC**  
Associate Professor of Medicine (Cardiovascular)  
Susan P. and Riley P. Bechtel Medical Director,  
Women's Heart Health Program  
Director, Chronic Total Occlusion (CTO) Program  
Stanford University Medical Center  
Stanford, CA

**Douglas Triffon, MD, FACC, FNLA, FASE**  
Medical Director of the Lipid Disorders Clinic  
Scripps Clinic  
La Jolla, CA

**Jason Wollmuth, MD, FACC**  
Director, Complex Coronary Interventions  
Providence Heart and Vascular Institute  
Portland, OR
