

LIVE AND IN-PERSON SYMPOSIUM!

Over 20 Live Complex Coronary and  
Structural Satellite Transmissions

# 2023 34<sup>TH</sup> ANNUAL SYMPOSIUM Cardiovascular Interventions

November 7 – 10, 2023

Hilton La Jolla Torrey Pines • La Jolla, California

COURSE DIRECTOR

Paul S. Teirstein, MD, DNBPAS, FACC, MSCAI

SCRIPPS COURSE CO-DIRECTORS

Matthew J. Price, MD, FACC, FSCAI

Curtiss T. Stinis, MD, FACC, FSCAI

---

This activity has been approved for  
AMA PRA Category 1 Credit™

This conference fulfills the Title 17 California Code  
requirement for 4 CE credits in radiation safety for the  
clinical uses of fluoroscopy.

---

# Introduction

## Course Overview

Cardiologists are trained during their fellowship years in the latest techniques, technologies, standards of practice and guidelines for patient care. However, the practice of medicine changes rapidly and the discipline of interventional cardiology changes dramatically each year. Changes in interventional cardiology directly impact patient care and require constant updates to physician knowledge and practices. Physicians rely on journal articles, interaction with colleagues and lectures throughout the year to keep their knowledge up-to-date. The primary purpose of the “34<sup>TH</sup> Annual Cardiovascular Interventions” symposium is to provide the practicing physician and cardiovascular care team with a concentrated exposure to new developments in interventional cardiology that will positively influence patient outcomes.

The 2023 scientific program has been carefully designed by consulting recent key clinical trial data, articles in peer-reviewed scientific journals, physician focus groups, past evaluations, and needs assessments. By attending this program, participants will learn the latest advances and debates in interventional cardiology. They will return to their practice environment armed with the latest evidence-based, practical information to improve patient care and outcomes.

## Target Audience

This course is designed for interventional cardiologists, cardiac surgeons, vascular surgeons, internists, NPs, PAs, nurses, cath lab technicians, perfusionists, registered cardiovascular invasive specialists, radiologic technologists, and those with a special interest in interventional cardiology. No experience in interventional cardiology is required, however a basic understanding of the field is recommended.

## Conference Highlights

- Live case transmissions from the state-of-the-art Scripps Prebys Cardiovascular Institute
- Plenary lectures from internationally known leaders
- Ample question and answer time with expert faculty
- Attendee receptions with networking opportunities among colleagues
- Diverse satellite symposia and pre-conference seminar on the latest advances

## Educational Objectives

After attending this activity, participants should be able to:

- Apply new technical approaches to specific lesion subsets such as bifurcation lesions, left main lesions, chronic total occlusions and acute myocardial infarction
- Integrate the latest guidelines and practice improvements into the management of myocardial dysfunction
- Discuss new techniques under development for transcatheter cardiac valve repair and replacement
- Reduce common catheterization laboratory patient complications using new techniques and technologies
- Critique the latest evidence supporting new coronary physiology and imaging modalities such as IVUS, OCT and FFR/iFR guided stent deployment
- Prescribe the appropriate antithrombotic therapies based on the latest data and guidelines
- Select appropriate mechanical circulatory support (MCS) devices in the cath lab

## CME Accreditation and Designation

Promedica International is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Promedica International designates this live activity for a maximum of 25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Nursing Contact Hours

Provider approved by the California Board of Registered Nursing, Provider #8495 for 25 Contact Hours.

## Physician Assistants

NCCPA accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME. Please see the credit designation for AMA PRA Category 1 Credit(s)™. View NCCPA's guidelines for CME at [www.nccpa.net/maintain-certification/](http://www.nccpa.net/maintain-certification/).

## Perfusion CEUs

Category 1 CEUs for perfusionists are pending approval by the American Board of Cardiovascular Perfusion (ABCP). Updated information will be available online at [www.promedicacme.com](http://www.promedicacme.com).

## Registered Cardiovascular Invasive Specialist CEUs

CCI does not approve CEUs directly, however CCI will accept CEUs that have already been approved by accredited sponsors of the Accreditation Council for Continuing Medical Education (ACCME). RCIS attendees will claim the physician certificate option when completing the online evaluation and can use that certificate to claim CEUs from CCI.

## Radiologic Technologist CE Credits

Credit is pending approval by the ASRT. Updated information will be available online at [www.promedicacme.com](http://www.promedicacme.com).

## ABIM MOC Accreditation

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 25 Medical Knowledge MOC points and Patient Safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

## Radiation Safety

This conference fulfills the Title 17 California Code requirement for 4 CE credits in radiation safety for the clinical uses of fluoroscopy.

## Commercial Support

This course is supported, in part, by educational grants from industry, in accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education. At the time of printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the educational activity.

# Faculty

## Course Director

### **Paul S. Teirstein, MD, DNBPAS, FACC, MSCAI**

Chief of Cardiology  
Director, Interventional Cardiology  
Scripps Clinic  
Director, Scripps Prebys Cardiovascular Institute  
Scripps Health  
La Jolla, CA

## Scripps Course Co-Directors

### **Matthew J. Price, MD, FACC, FSCAI**

Director, Cardiac Catheterization Laboratory  
Division of Cardiovascular Diseases  
Scripps Clinic  
La Jolla, CA

### **Curtiss T. Stinis, MD, FACC, FSCAI**

Director, Peripheral Interventions  
Program Director,  
Interventional Cardiology Fellowship  
Division of Cardiology  
Scripps Clinic  
La Jolla, CA

## Symposium Faculty

### **J. Dawn Abbott, MD, FACC, FSCAI**

Director, Interventional Cardiology  
Lifespan Cardiovascular Institute of Rhode Island  
Director, Cardiac Catheterization Laboratories  
Rhode Island and The Miriam Hospitals  
Providence, RI

### **Ziad Ali, MD, DPhil**

Director, DeMatteis Cardiovascular Institute  
St. Francis Hospital & Heart Center  
Roslyn, NY  
Director, Angiographic Core Laboratory  
Cardiovascular Research Foundation  
New York, NY

### **Barry Bertolet, MD, FACC**

ACC Governor for Mississippi  
Vice-President, Mississippi Health Care Alliance  
North Mississippi Medical Center  
Tupelo, MS

### **Aditya Bharadwaj, MD, FACC, FSCAI**

Associate Professor of Medicine,  
Interventional Cardiology  
Director of Complex Coronary Interventions  
Chair of CV Research and Outreach Program  
Associate Program Director, Interventional  
Cardiology Fellowship  
Early Career Chair, ACC CA Chapter  
ACC Early Career Leadership Council  
Loma Linda University Health Care  
Loma Linda, CA

### **Georges Chahoud, MD, FACC, FAHA, FHFA, FASE**

Regional Director, Heart Failure Clinical Program  
SSM Health, St. Louis and Southern IL  
Adjunct Clinical Faculty, Department of Medicine,  
St. Louis University  
Director of Cardiology, SSM Health-St. Joseph  
Hospital, Lake St. Louis  
Chair, AHA IMPLEMENT-HF Quality Initiative  
St. Louis, MO

### **Samuel Conaway, MBA**

Boston Scientific  
Marlborough, MA

### **Philippe Genereux, MD**

Co-Director, Structural Heart Program  
Gagnon CardioVascular Institute  
Morristown Medical Center  
Morristown, NJ

### **Aakriti Gupta, MD, MSc**

Assistant Professor, Interventional Cardiology  
Cedars-Sinai, Smidt Heart Institute  
Los Angeles, CA

### **Amir Kaki, MD, FACC, FSCAI**

Associate Professor, Wayne State SOM  
Director, Mechanical Circulatory Support  
Director, High-Risk Complex Coronary  
Interventions  
Associate Director, Interventional Cardiology  
Section  
Ascension St John Hospital  
Detroit, MI

### **Saibal Kar, MD, FAHA, FACC, FSCAI**

Director of Structural Heart Disease and Research  
HCA Healthcare  
Cardiovascular Institute of Los Robles Health  
System  
Thousand Oaks, CA

### **Kate Kearney, MD**

Associate Professor of Medicine  
Medical Director, Cardiac Cath Lab  
University of Washington  
Seattle, WA

### **Morton Kern, MD, FACC, MSCAI, FAHA**

Professor of Medicine  
University of California, Irvine  
Chief of Cardiology  
VA Long Beach  
Long Beach, CA

### **Rola Khedraki, MD**

Advanced Heart Failure and  
Transplant Cardiology  
Mechanical Circulatory Support Program  
Cardiac Amyloidosis Program  
Scripps Clinic  
La Jolla, California

### **Ajay J. Kirtane, MD, SM, FACC, FSCAI**

Professor of Medicine  
Columbia University Medical Center  
Chief Academic Officer  
Center for Interventional Vascular Therapy  
Director, NYP/Columbia Cardiac  
Catheterization Laboratories  
New York, NY

### **Taisei Kobayashi, MD**

Assistant Professor of Clinical Medicine  
Co-Director of the Coronary Chronic Total  
Occlusion Team  
Co-Director of the Penn Denervation Center  
Hospital of the University of Pennsylvania  
Director of Interventional Cardiovascular Services  
Michael J Crescenz Veterans Affairs Hospital  
Philadelphia, PA

### **David Lee, MD, FACC**

Professor  
Director, Interventional Cardiology Fellowship  
Program  
Director, Interventional Platform/Cardiac  
Catheterization and Intervention Laboratories  
Stanford University Medical Center  
Stanford, CA

### **William Lombardi, MD, FACC, FSCAI**

Clinical Professor, Medicine  
Director, Complex Coronary Artery Disease  
Therapies  
University of Washington  
Seattle, WA

### **Ehtisham Mahmud, MD, FACC, MSCAI**

Edith and William Perlman Chair in Cardiology  
Professor and Division Chief,  
Cardiovascular Medicine  
Executive Director, UCSD Cardiovascular  
Institute-Medicine  
University of California, San Diego  
La Jolla, CA

### **Rajeev Mohan, MD**

Director, Cardio-Oncology and Cardiac  
Amyloidosis Program  
Scripps Clinic  
La Jolla, CA

### **Jeffrey Moses, MD, FACC**

John and Myrna Daniels Professor of Cardiology  
Director, Interventional Cardiovascular  
Therapeutics  
Columbia University Medical Center  
New York, NY

### **Hursh Naik, MD**

Director of Cardiology  
St. Joseph's Hospital  
Clinical Professor  
Creighton University School of Medicine  
Phoenix, AZ

**Mitul Patel, MD, FACC, FSCAI**

Clinical Professor of Medicine, Interventional Cardiology  
Director of Endovascular Interventions  
UCSD and VA San Diego Health Systems  
La Jolla, CA

**Duane Pinto, MD, MPH, FACC, FSCAI**

Associate Professor of Medicine  
Harvard Medical School  
Chief Medical Officer  
JenaValve Technology, Inc.  
Boston, MA

**Jeffrey J. Popma, MD**

VP and Chief Medical Officer  
Coronary, Renal Denervation, and Structural Heart  
Medtronic  
Boston, MA

**David Rizik, MD, MSCAI, FACC**

Chief Scientific Officer  
Director of Structural and Coronary Interventions  
Interventional Cardiovascular Fellowship  
Program Director  
HonorHealth Hospital  
HonorHealth Heart Group-Shea  
Scottsdale, AZ

**Robert Salazar, MD**

Director of Cardiovascular Research  
Kingwood Medical Center  
Kingwood, TX

**Bruce Samuels, MD**

Interventional Cardiology  
Cedars-Sinai Smidt Heart Institute  
Los Angeles, CA

**Evan Shlofmitz, DO**

Director of Intravascular Imaging  
St. Francis Hospital – The Heart Center  
Roslyn, NY

**Richard Shlofmitz, MD, FACC, FSCAI**

Chairman of Cardiology  
St. Francis Hospital  
Roslyn, NY

**Charles Simonton, MD, FACC, FSCAI**

Chief Medical Officer  
Global VP, Clinical and Medical Affairs  
Abiomed/JNJ MedTech  
Danvers, MA

**Ajay Srivastava, MD, FACC**

Advanced Heart Failure and  
Recovery Program  
Scripps Clinic  
La Jolla, CA

**Pam Taub, MD, FACC, FASPC**

Director of Step Family Foundation  
Cardiovascular Rehabilitation and  
Wellness Center  
Professor of Medicine  
UC San Diego Health System  
La Jolla, CA

**Raj Tayal, MD, MPH, FACC, FSCAI**

Director, Cardiac Catheterization  
Laboratories  
Director, Structural Heart Disease  
Valley Health System  
Ridgewood, NJ  
Clinical Assistant Professor of  
Medicine  
Icahn Mount Sinai School of  
Medicine  
New York, NY

**Eric Topol, MD**

Executive Vice-President  
Scripps Research Institute  
Director & Founder  
Scripps Research Translational Institute  
La Jolla, CA

**Jennifer A. Tremmel, MD, MS, FACC**

Associate Professor of Medicine  
(Cardiovascular)  
Susan P. and Riley P. Bechtel Medical  
Director, Women's Heart Health Program  
Director, Chronic Total Occlusion (CTO)  
Program  
Stanford University Medical Center  
Stanford, CA

**Jason Wollmuth, MD, FACC**

Director, Complex Coronary Interventions  
Providence Heart and Vascular Institute  
Portland, OR

COURSE DIRECTOR

Paul S. Teirstein, MD, DNBPAS,  
FACC, MSCAI

## Tuesday, November 7

### Pre-Conference Symposium

8:30 AM – 3:00 PM

*Sponsored by Abiomed, Inc*

This activity is not included in CME hours

#### Pathways for Complex Patient Management

8:00 AM

Registration/Breakfast

8:25 AM

Welcome and Agenda Overview

*Paul S. Teirstein, MD*

#### Setting the Stage

8:30 AM

The Growing Patient Population for Protected PCI: Patient Selection, Therapy Awareness

*Jeffrey Moses, MD*

8:45 AM

Ischemic Testing: Who Is Falling Through the Cracks?

*Rajeev Mohan, MD*

9:00 AM

Patients with LV Dysfunction and Advanced Coronary Disease: Perspectives on Medical Therapy vs. Revascularization with MCS

*Ajay Srivastava, MD*

9:15 AM

Utilizing Electronic Medical Record Triggers for Ischemic Testing

*Georges Chahoud, MD*

9:30 AM

Current Data Supports Doing More Complex PCI

*Paul S. Teirstein, MD*

9:45 AM

Panel Discussion

9:55 – 10:10 AM

Break

#### High Risk PCI

10:10 AM

Patient Selection for Impella Supported PCI: When to Use Support for Unprotected Left Main for Only Remaining Circulation

*Amir Kaki, MD*

10:25 AM

High Risk PCI Case 1  
*Hursh Naik, MD*

10:40 AM

High Risk PCI Case 2  
*Paul S. Teirstein, MD*

10:55 AM

Panel Discussion

11:05 AM

Alternative Access  
*Raj Tayal, MD, MPH*

11:20 AM

Access and Closure Management Best Practices: Balloon and Lithotripsy Assisted Impella Delivery, Single Access  
*Curtiss T. Stinis, MD*

11:35 AM

RP Flex Insertion: Step-by-Step with Technical Tips  
*Robert Salazar, MD*

11:50 AM

How to Build an Impella Program  
*Aditya Bharadwaj, MD*

12:05 PM

Panel Discussion

12:15 – 1:00 PM

Lunch

1:00 PM

Deep Dive into Cardiogenic Shock: Algorithm Identifying Shock, Early/Hub, and Spoke Model  
*Aditya Bharadwaj, MD*

1:15 PM

Identifying RHF  
*Rola Khedraki, MD*

#### Abiomed Updates

1:30 PM

J&J Acquisition and Trial Updates  
*Charles Simonton, MD*

1:45 PM

The LP Sheath: Case Study  
*Raj Tayal, MD, MPH*

2:00 PM

The RP Flex Device: Case Study  
*Robert Salazar, MD*

2:15 PM

Looking to the Future of MCS! Data and Technology  
*Amir Kaki, MD*

2:30 PM

The 9Fr ECP Device: Case Study  
*Amir Kaki, MD*

2:45 PM

Panel Discussion

3:00 PM

Reception

#### Afternoon Symposium I

3:15 – 4:15 PM

This activity is not included in CME hours

More information will be available online at [www.cvinterventions.com](http://www.cvinterventions.com).

4:15 – 4:30 PM

Break

#### Afternoon Symposium II

4:30 – 5:30 PM

*Sponsored by Medtronic*

This activity is not included in CME hours

**CathWorks – Getting Good with Angiograms**

#### Dinner Symposium

6:30 – 8:30 PM

*Co-sponsored by industry*

This activity is not included in CME hours

#### TAVR Tuesday

*Moderator:*

*Paul S. Teirstein, MD*

The Recently FDA Approved Navitor Valve for TAVR: Clinical Data and Unique Characteristics  
*Saibal Kar, MD*

The ACCURATE neo2™ Aortic Valve System Update: Latest Design, Latest Data  
*David Rizik, MD*

Valve Performance Matters: The Case for Evolut for Lifetime Management  
*Jeffrey J. Popma, MD*

New Transcatheter Valve Technology Coming to Your Cath Lab Soon  
*Curtiss T. Stinis, MD*

Not your Grandparent's TAVR: Technical and Clinical Update for the JenaValve in AR  
*Duane Pinto, MD, MPH*

Cerebral Protection Update  
*Jeffrey Moses, MD*

# Wednesday, November 8

## Breakfast Symposium

7:00 – 7:50 AM

*Sponsored by Terumo Medical Corporation*

This activity is not included in CME hours

### Eliminating Femoral Crossover and Increasing Simplicity: Optimizing Radial Access for Coronary Angiography and PCI

More information will be available online at [www.cvinterventions.com](http://www.cvinterventions.com).

7:50 – 8:00 AM

Break

## Morning Symposium I

8:00 – 8:50 AM

*Sponsored by Shockwave Medical*

This activity is not included in CME hours

### More Calcium? More Pulses? No Problem!

8:00 AM

Introduction

8:05 AM

Role of Imaging in Accessing Coronary Calcium

8:16 AM

Utilizing a Calcium Algorithm as “Best Practice” in Complex PCI

8:27 AM

Best Practices Using an IVL Pulse Management Strategy and NEW Shockwave C2+ Catheter

8:35 AM

Management of Nodular Calcium During PCI: What To Do & When?

8:50 – 9:00 AM

Break

## Morning Symposium II

9:00 – 9:50 AM

*Sponsored by ACIST Medical Systems, Inc.*

This activity is not included in CME hours

### Complex PCI for the Most Vulnerable Patient Population with Advanced CKD

More information will be available online at [www.cvinterventions.com](http://www.cvinterventions.com).

9:50 – 10:00 AM

Break

## Morning Symposium III

10:00 – 10:50 AM

*Sponsored by Medtronic*

This activity is not included in CME hours

### Pardon the Interruption: Hot Topics in Hypertension Management

Introduction

*Taisei Kobayashi, MD*

Current Status of Hypertension in the US

*David Lee, MD*

Patient Related Adherence Factors?

*Pam Taub, MD*

Hypertension Control Rates Through the Lens of Health Equity?

*Pam Taub, MD*

Hypertension Patient Care Pathways?

*Barry Bertolet, MD*

What’s the Consensus on Hypertension?

*Pam Taub, MD*

Horizon for Hypertension Management?

*David Lee, MD*

Discussion

Conclusion/Wrap Up

*Taisei Kobayashi, MD*

10:50 – 11:00 AM

Break

## Morning Symposium IV

11:00 – 11:50 AM

*Sponsored by Boston Scientific*

This activity is not included in CME hours

### Modern PCI – See, Prep, Treat

11:00 AM

High Definition IVUS: An Inside Look

at Improving Patient Outcomes

*Aakriti Gupta, MD, MSc*

11:15 AM

The “Cutting Edge” for Calcified Vessels:

Wolverine and Rota

*Jeffrey Moses, MD*

11:30 AM

AGENT™ of Change: PCI with the Boston Scientific DCB

*Matthew J. Price, MD*

11:45 AM

Discussion/Q&A

11:50 AM – 12:10 PM

Buffet Lunch

## Lunch Symposium

12:10 – 1:10 PM

*Sponsored by Abbott*

This activity is not included in CME hours

### Cutting-Edge Cardiac Catheterization: How to Incorporate CMD Testing and OCT Into Your Cath Lab

12:10 PM

Coronary Microvascular Disease Testing: Step-by-Step and Result Interpretation

*Bruce Samuels, MD*

12:30 PM

Clinical Decision Making in Real-World CMD Cases: How Would You Interpret and Treat?

*Presenter: Matthew J. Price, MD*

*Respondent: Jennifer A. Tremmel, MD, MS*

12:55 PM

The Data is In on Angio vs. OCT Guidance of PCI: How Should the Findings of ILUMIEN IV Apply to My Clinical Practice?

12:30 – 1:30 PM

## General Symposium Registration Open

1:30 PM

### Live Cases 1 & 2 from Scripps Clinic

Angio vs. Catheter Based FFR: Pros, Cons, and Caveats

*Morton Kern, MD*

MLD MAX for IVUS and OCT: Now the Gold Standard

*Evan Shlofmitz, DO*

Spontaneous Coronary Dissection (SCAD): What’s New?

*Jennifer A. Tremmel, MD, MS*

3:30 PM

Break

4:00 PM

### Live Cases 3 & 4 from Scripps Clinic

Has Coronary Microvascular Disease Gone Mainstream?

*Bruce Samuels, MD*

Conversations in Cardiology:

Decisions are Not Always Black and White

*Morton Kern, MD*

# Scientific Program 2023 continued

## Wednesday continued

### Meet the Experts Panel & Reception

6:00 – 7:00 PM

*Sponsored by Boston Scientific*

This activity is not included in CME hours

Moderator:

*Paul S. Teirstein, MD*

Meet the Experts Presenters:

*William Lombardi, MD*

*Curtiss T. Stinis, MD*

*Jennifer A. Tremmel, MD, MS*

### Dinner Symposium

7:00 – 9:00 PM

*Sponsored by Medtronic*

This activity is not included in CME hours

#### Great Cases in Interventional Cardiology: Complications, Difficult Decisions, Challenging Anatomy and More!

Moderator:

*Curtiss T. Stinis, MD*

Faculty Panel:

*Amir Kaki, MD*

*Mitul Patel, MD*

*Matthew J. Price, MD*

*David Rizik, MD*

*Paul S. Teirstein, MD*

*Jennifer A. Tremmel, MD, MS*

## Thursday, November 9

### Breakfast Symposium

6:30 – 7:30 AM

#### Intravenous P2Y<sub>12</sub> Inhibition During PCI: Why, How, and Case Examples

6:30 AM

Current Consensus on Pre-Treatment in the Setting of NSTEMI-ACS and the Role of IV Therapy

*Mitul Patel, MD*

6:45 AM

The Nuts and Bolts of P2Y<sub>12</sub> Desescalation as Well as Switching from IV to Oral P2Y<sub>12</sub> Inhibition

*Ajay Kirtane, MD, SM*

7:00 AM

Case Studies in Complex PCI and Antiplatelet Decision-Making

*Mitul Patel, MD*

7:15 AM

Discussion/Q&A

7:30 AM

#### Live Cases 5 & 6 from Scripps Clinic

Are Computers Finally Going to Save Medicine: GPT4 and Dragon Ambience to the Rescue?

*Eric Topol, MD*

The Year in Review: Key Trials in the Last Year

*Ehtisham Mahmud, MD*

9:30 AM

Break

10:00 AM

#### Live Cases 7 & 8 from Scripps Clinic

##### Flash Debate!

– A Heart Team Discussion is Essential Prior to Complex High Risk PCI

*Ajay Kirtane, MD, SM*

– The Heart Team is Overrated: Ad Hoc for Complex High Risk PCI is Reasonable in Some Pre-Consented Patients

*Paul S. Teirstein, MD*

How to Talk to Patients and Families About Complications

*Paul S. Teirstein, MD*

12:00 PM

Lunch

#### You May Love Your Hospital but It Will Never Love You Back

*Amir Kaki, MD*

#### Challenging Cases Panel Discussion

1:30 PM

#### Live Cases 9 & 10 from Scripps Clinic

Drug Coated Balloons Have FINALLY Arrived: And Here is How I Am Going to Use Them!

*Ajay Kirtane, MD, SM*

Building Your Pulmonary Embolus Response Team (PERT): Designing the Right Team with the Right Technology

*Curtiss T. Stinis, MD*

Transcatheter Valve Technology: Where Are We Now?

*Curtiss T. Stinis, MD*

3:30 PM

Break

4:00 PM

#### Live Cases 11 & 12 from Scripps Clinic

Ultrasound Guided Pericardiocentesis: Tips & Tricks

*Matthew J. Price, MD*

Transcatheter Tricuspid Valve Intervention Has Arrived: Now How Should It Change My Practice?

*Matthew J. Price, MD*

### Dinner Symposium

6:00 PM

*Sponsored by Medtronic*

This activity is not included in CME hours

#### Bifurcation Stenting: A Tale of Two Cities Gets a New View

6:00 PM

Welcome & Introduction

*Ajay Kirtane, MD, SM*

6:10 PM

Let's All be Europhiles: How to Approach a Bifurcation Lesion According to the European Bifurcation Club

6:30 PM

Provisional Stenting of the Side Branch

Done the RIGHT Way: Technical Approaches

*J. Dawn Abbott, MD*

6:50 PM

What Would YOU Do? Case Studies in Bifurcations

*Kate Kearney, MD*

7:10 PM

Hold that Wire! How You Should Use Angio-FFR in Your Cath Lab

*Ajay Kirtane, MD, SM*

## Friday, November 10

### Breakfast Symposium

6:30 – 7:30 AM

#### Contemporary Management of Aortic Stenosis: When to Treat and What to Consider

6:30 AM

Lifetime Management of AS: What Should We Be Considering Now?

*Curtiss T. Stinis, MD*

6:50 AM

Should We Be Treating AS Earlier?

*Philippe Genereux, MD*

7:10 AM

Discussion/Q&A

7:30 AM

#### Live Cases 13 & 14 from Scripps Clinic

New Algorithms and Technologies for Circumferential Calcium

*Ziad Ali, MD, DPhil*

Mechanical Circulatory Support: Here Are the Options, and Here's How to Match Them to the Right Patient

*Amir Kaki, MD*

How to Treat Mitral Regurgitation in 2023: TEER, TMVR, or Surgery?

*Matthew J. Price, MD*

9:30 AM

Break

10:00 AM

#### Live Cases 15 & 16 from Scripps Clinic

CTO Step-by-Step: The Algorithm Made Simple for the Intermediate Volume Interventionalist

*Jason Wollmuth, MD*

CTO Step-by-Step: Advanced Techniques

*William Lombardi, MD*

12:00 PM

Lunch

#### From Laundry to Leadership: Motivation and Mentorship

*Samuel Conaway, MBA*

#### Challenging Cases Panel Discussion

1:30 PM

#### Live Cases 17 & 18 from Scripps Clinic

Imaging Guided Precision PCI: It Will Change Your Life

*Richard Shlofmitz, MD*

Renal Denervation to Treat Resistant Hypertension

*Taisei Kobayashi, MD*

3:30 PM

Break

4:00 PM

#### Live Cases 19 & 20 from Scripps Clinic

Radiation Protection and Safety in the Cath Lab

*David Rizik, MD*

Ultra Low and No Contrast PCI

*Ziad Ali, MD, DPhil*

# Conference Location & Hotel Accommodations

## Hotel Information

The Hilton La Jolla Torrey Pines Hotel is located on the internationally famous Torrey Pines Golf Course. Adjacent to Scripps Clinic and 20 minutes from the San Diego airport, the Hilton is close to all the attractions that make San Diego so desirable to visit. With the Pacific Ocean as a backdrop, all rooms command a spectacular view of either the ocean and championship golf course, or a meticulously tended, lush garden.

The Hilton La Jolla Torrey Pines is offering a special group rate of \$269 (plus tax and parking, if required) for meeting attendees through October 12, 2023 or until the block fills, whichever comes first. After that date, reservations will be accepted based on availability.

### Hilton La Jolla Torrey Pines

10950 North Torrey Pines Road, La Jolla, California 92037

Reservations: 1-877-414-8020

Hotel Direct: 858-558-1500

**You must mention the Cardiovascular Interventions 2023 symposium when making your reservation in order to receive the special group rate.**

**Make your reservation online at [www.cvinterventions.com](http://www.cvinterventions.com) or [www.promedicacme.com](http://www.promedicacme.com).**

**Please be sure to join us for Wednesday night's dinner symposium!**

**"Great Cases in Interventional Cardiology: Complications, Difficult Decisions, Challenging Anatomy, and More!"**

This will be an interactive symposium highlighting interesting cases with lively discussion by our expert panelists and conference attendees.

## Submit Your Cases!

This is **your** opportunity to be part of the conference! Have an interesting case that you want to share or get input on? Submit it via email for consideration. If selected, you will have the opportunity to present your case to our panel of experts and to your colleagues for discussion. The 3 best cases will be chosen for presentation.

Cases can involve any topic or situation encountered in Interventional Cardiology including:

- Complex PCI
- Clinical Decision Making
- Peripheral Interventions
- Structural Heart Interventions

### Submit Cases to:

Curtiss T. Stinis, MD  
9898 Genesee Ave  
AMP-200  
La Jolla, CA 92037

858-824-5234

[Rlaw@promedicacme.com](mailto:Rlaw@promedicacme.com)

**Mark your calendar to join us for next year's symposium!**

35<sup>TH</sup> Annual Cardiovascular Interventions

Ste 108A-326  
Carlsbad, CA 92008

## Questions

Contact Promedica International CME

**Phone** 760-720-2263

**Email** [Rlaw@promedicacme.com](mailto:Rlaw@promedicacme.com)

## Registration Confirmation

A confirmation will be emailed to you upon receipt of the conference registration form and payment. If you do not receive the confirmation letter after submission, please contact Promedica International CME.

## Attendee Cancellation Policy

The course tuition is refundable, minus a \$100 processing fee, if your cancellation is received in writing no later than September 22, 2023. Cancellations cannot be accepted over the telephone. Refunds will not be available after September 22, 2023.

## Guest Attendance Policy

All conference activities (including educational sessions, meal functions, exhibit hall, etc.) are exclusively reserved for conference attendees. Non-registered guests (including children, family members, colleagues, etc.) are not allowed in the conference areas. Badges provided at registration are required for entrance into all functions and will be strictly enforced.

## Symposium Materials

All symposium information including the detailed agenda, faculty listing, faculty disclosures, industry support, and course materials will be found on our fully mobile website.

## Implicit Bias and Cultural and Linguistic Competency

As of January 1, 2022, the California Medical Association's (CMA) continuing medical education (CME) team has updated Cultural and Linguistic Competency (CLC) standards and created standards for Implicit Bias (IB) that reduce health disparities, as well as comply with state law. Please visit [www.promedicacme.com](http://www.promedicacme.com) for more information on CLC and IB.
